## Selecting a Provider

### **Tier 1: Trinity Health Facilities**

This tier is comprised of Trinity Health facilities and aligned professional providers that are part of Blue Cross' PPO network and not in Tier 2 or Tier 3. These providers have signed an agreement with Blue Cross to accept our approved amount as payment for covered services. You'll have the lowest deductible, coinsurance and out-of-pocket maximum amounts when covered services are provided by a Tier 1 provider.

If you need help locating a Tier 1 provider, please visit [Find a Doctor | bcbsm.com](https://www.bcbsm.com) or call the phone number on the back of your ID card.

When you go to Tier 1 providers, you do not have to send a claim to us, the claim will be sent to Blue Cross for you, and providers are paid directly by Blue Cross.

### **Tier 2: In-Network PPO Providers not in Tier 1 or Tier 3**

This tier is comprised of doctors and hospitals that are part of Blue Cross' PPO network and not in Tier 1 or Tier 3. These providers have signed an agreement with Blue Cross to accept our approved amount as payment for covered services. When services are performed by Tier 2 in-network PPO providers, you'll have larger deductible, coinsurance and out-of-pocket maximum amounts than Tier 1 providers.

Ask your physician if he or she participates with the Blue Cross PPO network. If you need help locating a Tier 2 provider, please visit [Find a Doctor | bcbsm.com](https://www.bcbsm.com) or call the phone number on the back of your ID card.

When you go to Tier 2 providers, you do not have to send a claim to us, the claim will be sent to Blue Cross for you, and providers are paid directly by Blue Cross.

### **Tier 3: In-Network PPO Providers not in Tier 1 or Tier 2**

This tier is comprised of doctors and hospitals that are part of Blue Cross' PPO network and not in Tier 1 or Tier 2. These providers have signed an agreement with Blue Cross to accept our approved amount as payment for covered services. When services are performed by Tier 3 in-network PPO providers, you'll have larger out-of-pocket amounts than Tier 1 or Tier 2 providers.

#### **Note:**

Services provided at any location of Cancer Treatment Centers of America (CTCA), now part of City of Hope, and Mayo Clinic are only covered with an approved Network Deficiency, with the exception of the City of Hope National Medical Center, general acute care hospitals.

A list of Tier 3 providers can be located at <https://www.trinity-health.org/sites/default/files/my-benefits/Transitions/MercyOne-Genesis/MercyOne-Genesis-Tier-3-Directory-Listing.pdf>

### **Out-of-Network and Nonparticipating Providers**

Out-of-Network providers do not participate with Blue Cross PPO. Nonparticipating providers have no contractual agreement with Blue Cross. Services provided by these providers are not covered. This means that if you receive services from an out-of-network or non-participating provider, you will pay the full cost for that service.

### **Case Management / Disease Management Program**

If you agree to participate, a BCBSM nurse case manager will administer an assessment and an individualized plan that includes your condition, and goals based on your assessment results.

- The nurse will work with you via telephone to address your specific health concerns and goals.
- Once you have completed the program you will receive a case closure letter via mail and a call explaining that you have completed your program.
